Hacienda Carmel Community Association

General Information

- ❖ Hacienda Carmel was established in 1962 as the first “planned retirement community” of its kind in the western U.S. with residency limited to age 55 and older (with certain exceptions) in accordance with the *Federal Senior Housing Residency Requirements*.
- ❖ Hacienda Carmel is comprised of three hundred (300) individually owned units – each with its own Assessor’s Parcel Number and therefore each homeowner is responsible for payment of annual property taxes on their condominium unit.
- ❖ Hacienda Carmel is a “**not-for-profit mutual benefit organization**” and as such each homeowner is considered to be an equal “*Member*” of the “*Association*” owning an undivided 1/300th interest in all assets of the community including the buildings, equipment and common areas.
- ❖ The Association is largely governed in accordance with the California Civil Code and applicable California Corporations Code by an elected Board of Directors comprised of nine resident Members of the Association each serving three-year terms. Election of directors is conducted by secret ballot with the tabulation of ballots taking place at the Annual Meeting of the Members, held on the first Monday of June each year.
- ❖ The “**Governing Documents**” of the Association consist of the Articles of Incorporation, the Bylaws, the Covenants, Conditions & Restrictions (CC&R’s), the Ground Rules and the Architectural Rules as well as various written policies that may be adopted by the Board from time to time. Copies of the governing documents for real estate and lender use are available on the Association’s website.
- ❖ Day-to-day operations of the Association are handled by an on-site General Manager along with a staff of approximately 19 full-time and 5 part-time employees. Staffing includes administration, front desk operations, building maintenance, grounds maintenance, housekeeping and security/resident services.
- ❖ The annual operating budget of the Association for May 1, 2022 to April 30, 2023 is \$4,368,400. Primary funding of the Operating Account is derived from the collection of monthly “*maintenance fees*” from each homeowner. The operating budget is set and approved annually by the Board of Directors in conjunction with the Association’s Finance Committee and management.
- ❖ The monthly maintenance fees include all utilities (*except for television & internet service*) including an in-house “land-line” telephone system. Please see the “*Telephone System*” tab in the Membership binder for complete information on all the various features of the Hacienda phone system.
- ❖ Monthly maintenance fees also include the cost of regular upkeep for buildings, grounds & common area as well as all other operational expenses including staff payroll & benefits, general supplies and outside services such as legal, accounting, insurance administration services, etc.
- ❖ The Association maintains insurance policies for property, general liability & flood coverage for the residential buildings as well as the common area buildings & grounds. Homeowners are responsible for obtaining “*Condominium Owner’s Insurance*” (HO-6 policy) for coverage of the interior of the dwelling as well as personal property & liability. (*See Article 10 of the CC&R’s*) Homeowners may also purchase an optional individual flood insurance policy for coverage of personal contents within the unit if desired. A more detailed description of the Association’s insurance coverage is provided in the ***Annual Disclosures to Members*** booklet.
- ❖ In addition to income from monthly maintenance fees, operating revenue is also generated from the Casa Amigos guest house as well as leasing portions of the facilities to independent operators such as the on-site hair salon and ***Casa Carmel***, a six room assisted living facility operated independently in a wing of the Casa Central clubhouse building by *Central Coast Senior Services* based in Monterey.

- ❖ A fixed amount of the monthly maintenance fees (currently \$45,760 per month) is transferred to a capital reserve fund used for the repair, scheduled refurbishment, or replacement of large common area assets such as roofing, exterior painting, asphalt paving, vehicles, maintenance equipment, kitchen equipment, interior spaces, etc. Maintaining this well-funded reserve account minimizes the risk of special assessments to members and as such the Association has not had to impose a special assessment in the past thirty years. Currently, the balance in the “*Reserve Fund*” is approximately \$1,100,000.
- ❖ There is a “transfer fee” of \$1,000 charged on the sale of each unit and is typically paid through the escrow process. This fee is negotiable between the seller and the buyer of a unit. The transfer fee covers the Association’s costs for the administrative process of setting up new Member records, providing insurance information, the membership binder, orientation meeting, maintenance items or repairs that may be required at the time of sale. There is also a transfer fee of \$250 charged to the unit owner for each authorized rental transaction involving a change of tenant.
- ❖ Overview of Unit Maintenance responsibilities – Article 9 of the *Hacienda Carmel Covenants, Conditions & Restrictions* (the CC&R’s) describes in detail the items for which the Association is responsible and those for which the Homeowner is responsible. Essentially, the Association is responsible for maintenance & repair of the exterior shell of the building along with the adjacent walkways, foundation and infrastructure, while the Homeowner is responsible from the “walls-in” of the unit. However, there are certain exceptions with regard to items such as the furnace system, skylights and other non-original improvements made to the unit by all previous owners. Day-to-day maintenance issues such as clogged drains, furnace problems, etc. should be reported to the Front Desk who will in turn notify the appropriate department for corrective action. Please note that any charges incurred by the Homeowner calling an outside service for repairs (such as a plumber) before notifying Hacienda Carmel will be the responsibility of the Homeowner.
- ❖ Modifications to the unit or Common Area planting by the Homeowner – Similar to virtually every homeowner’s association, Hacienda Carmel has specific rules regarding certain modifications to the unit or Common Area surrounding the unit with the requirement for approval before the work is done. Basic interior work such as painting, flooring, replacement of cabinets, counter tops, appliances & fixtures does not require prior approval. However, modifications such as replacement of windows or doors, removal of interior wall sections, addition of skylights, re-routing of a gas line, etc. as well as any changes to the landscaping outside the unit do require pre-approval and are subject to review by a committee delegated by the Board of Directors. Please refer to the HCCA “*Architectural Rules*” booklet for complete details.
- ❖ Rental Policy – In accordance with the Association’s governing documents, not more than 25% of the 300 residential units may be rentals at any given time. The Association maintains a waiting list for existing homeowners who desire to lease their unit upon reaching the top of the wait list. Minimum lease period is six months and must be a lease of the entire unit. Sub-letting of a room within a unit is not permitted. Short term transient rental of a room or the unit (such as VRBO or Airbnb) is also prohibited.
- ❖ Hacienda Information Line – Hacienda Carmel has a designated in-house phone line to provide residents with a recorded message with updated information regarding any pending situations such as extreme winter storm activity, electrical outages, water outages, or other pertinent information. Residents are encouraged to please call the “*Information Line*” rather than inundating the Front Desk staff with phone calls. Please dial **7838** from Hacienda land-line phones or **625-7838** from outside or cellular phones.
- ❖ Bi-Weekly Bulletin – Every other Friday an informational newsletter is published containing pertinent info from the General Manager as well as upcoming social happenings and notifications from various groups, clubs, etc. The Bulletin can be found in the *Information Wall Rack* adjacent to the coffee station.
- ❖ Hacienda Carmel is an independent living community and is not licensed in any way to operate as a “care facility” or “assisted living facility” and therefore does not provide any type of medical, nursing, caregiving or assisted living services. In the event of an emergency situation, Hacienda staff will respond and contact the appropriate emergency services as needed. Some of our residents do engage the services of independent providers at their own expense. However, it should be noted that on a day-to-day basis Hacienda staff members often perform many tasks for residents (such as changing a light bulb, or moving a piece of furniture) that are considered to just be a part of the “**Hacienda Way.**”

Specific Information Regarding Individual Units

- ❖ **Smoke & Heat Detectors** – Each unit and all common buildings have ceiling-mounted “hard-wired” smoke and heat detectors that are monitored 24 hours a day by an outside contracted service. The local fire department automatically responds if the system is activated unless they are immediately notified by Hacienda staff that the situation is a confirmed false alarm. Tampering with these devices is prohibited and doing so can incur charges to the individual homeowner.
- ❖ **Land-line Telephone Service** – Each unit is wired for an “in-house” telephone system that is much like a hotel system with the ability to call unit-to-unit by using a four-digit extension number. A Hacienda Carmel Phone Directory is published twice per year listing residents alphabetically with their four-digit extension number. Residents may opt-out of being listed in the phone directory if they so choose. By plugging-in a standard “land-line” type telephone, you will automatically have a dial tone. To place a call outside of Hacienda Carmel press “9” and then dial the number you wish to call. There is no charge for calls made within the local 831 area code. However, there is a competitively priced long-distance service included on the phone system for calls outside the 831 area code. Dialing “0” on the land-line phone will connect you with the Hacienda Front Desk during regular hours or with the evening security person on duty between the hours of 9:00 pm and 7:00 am. Please see the “Telephone System” tab in the Membership binder for complete details and instructions on the Hacienda Carmel phone system.
- ❖ **Television & Internet Service** – TV & internet services are the only utilities not included in the monthly maintenance fee and are therefore the responsibility of individual residents. Although residents are permitted to utilize satellite TV services such as “DirecTV,” the infrastructure (regular phone lines) for the accompanying internet service such as “Uverse” is typically not available due to the lack of standard AT&T phone lines throughout the property. However, every unit in the community is pre-wired with Comcast cabling and therefore is generally the best alternative for residents of Hacienda Carmel with the ability to provide TV as well as high-speed internet. For residents moving into Hacienda who already subscribe to Comcast services, it is simply a matter of transferring your existing account to your new address. For new residents without an existing account our recommendation is to visit the Comcast store located at **2440 North Fremont Street in Monterey**. If assistance with this process or help is needed with set-up of equipment, please contact the Hacienda business office.
- ❖ **Garbage & Recycling** – An in-ground receptacle for regular household garbage is provided adjacent to the front door of each unit. These cans are emptied every Thursday morning by the Hacienda grounds crew and the plastic bag liner is replaced. Household recycling items should be deposited in the designated blue containers located adjacent to carports 1, 2, 3 & 4, as well as adjacent to the Art Studio and Casa Amigos guest house. The blue recycling containers have signage on the lid with detailed information about what items are or are not recyclable.
- ❖ **Patio Pick-up Service** – Call the Front Desk weekdays before 2:00 pm to let them know you have items placed outside your patio gate and the grounds crew will come by and take them away for disposal at no charge except for certain large items such as appliances, mattresses, televisions, etc. Please note that paint or any other chemical substances cannot be accepted for patio pick-up service.
- ❖ **Disposal of Large Items & Electronics** – Residents may request disposal of various large items that would not otherwise be appropriate for Patio Pick-up Service by contacting the Hacienda Front Desk. These items will be picked-up from the Unit by HCCA Grounds or Maintenance staff and taken to the West End dump area until they can be properly disposed of at local facilities. Disposal fees for these items are as follows:

Refrigerators	\$30 each
Microwaves	\$20 each
Televisions/ Computers	\$20 each
Washers/Dryers	\$25 each
Other small appliances	\$15 each
Mattresses (any size)	\$25 each
Sofas	\$25 each
Other furniture items	\$15 to \$25 each depending on size
